Ed here you are, let me know if you have any questions, if you were to purchase you would just make it subject to a 2023 pump service and testing it to Fire underwriters specifications.

From: Mike Rogers**Sent:** Thursday, April 6, 2023 9:12 AM**To:** Ed Coleman, Mayor <edcoleman@wells.ca>**Subject:** RE: 2021 TME Pumper

Ed, this truck is \$352,000.00 Plus Taxes, Includes a current Pump Test and an MVI, I'm told it has less than 1000 ks on it and there may be considerable warranty left on the chassis, we put 6 months on the fire Package. This is a nice tuck at over half the cost of a new one.

Cheers
Mike
